To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

1A1

Applications: Flute Grinding, Surface Grinding, OD Grinding,
Knife Grinding, Profile Grinding, Centerless
Grinding

Bond Availability: Phenol, Polyimide, Hybrid, Electro-chemical

Available in: Diamond, CBN, CDX

Size Availability: 1" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

1A1R

Applications: Cut Off, Profiling, Notching, Grooving,
Chip Breaker Flutes, Dicing, Slicing

Bond Availability: Phenol, Polyimide, Hybrid, Electro-chemical

Available in: Diamond, CBN

Size Availability: ½" - 27"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

1A1W

Applications: Hollow Face Grinding, I.D. Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 2mm - 80mm

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

1A8

Applications: Internal Grinding, Hollow Face Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: $\frac{1}{8}$ " - 4"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

1EE1

Applications: Form Grinding, Thread Grinding, Grooving,
Notching

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 14"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

1F1R

Applications: Profile Grinding, Grooving, Form Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: ½" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

1FF1R

Applications: Profile Grinding, Grooving, Form Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: ½" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

1V1

Applications: Flute Grinding, Gashing, Form Grinding,
End Fluting

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 27"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

2A2T

Applications: Surface Grinding, Knife Grinding, Blanchard Grinding, Peripheral Grinding

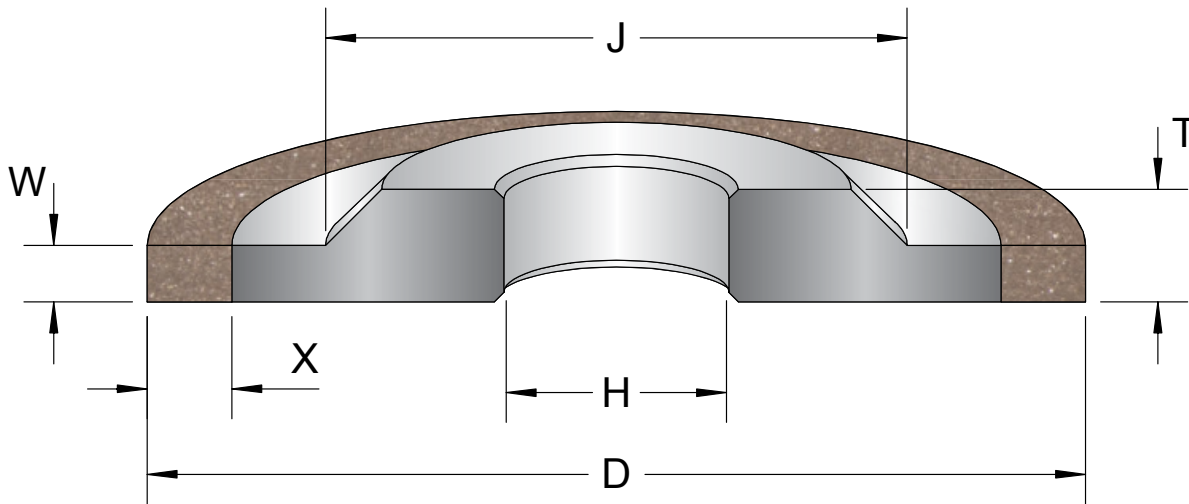

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 27"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

3A1

Applications: Surface Grinding, Profile Grinding, Side Grinding, Flute Grinding, Micro-drills

Bond Availability: Phenol, Polyimide, Hybrid, Electro-chemical

Available in: Diamond, CBN, CDX

Size Availability: 1" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

4A2P

Applications: Saw Grinding, Tool and Cutter Grinding,
Face Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: 2" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

4A2PTR

Applications: Saw Grinding, Tool and Cutter Grinding,
Face Grinding for Narrow Gullets

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 2" - 27"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

4BT9

Applications: Face Grinding, Relief Grinding, End Grinding,
Form Grinding, Hob Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 2" - 8"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

4Y1

Applications: Form Grinding

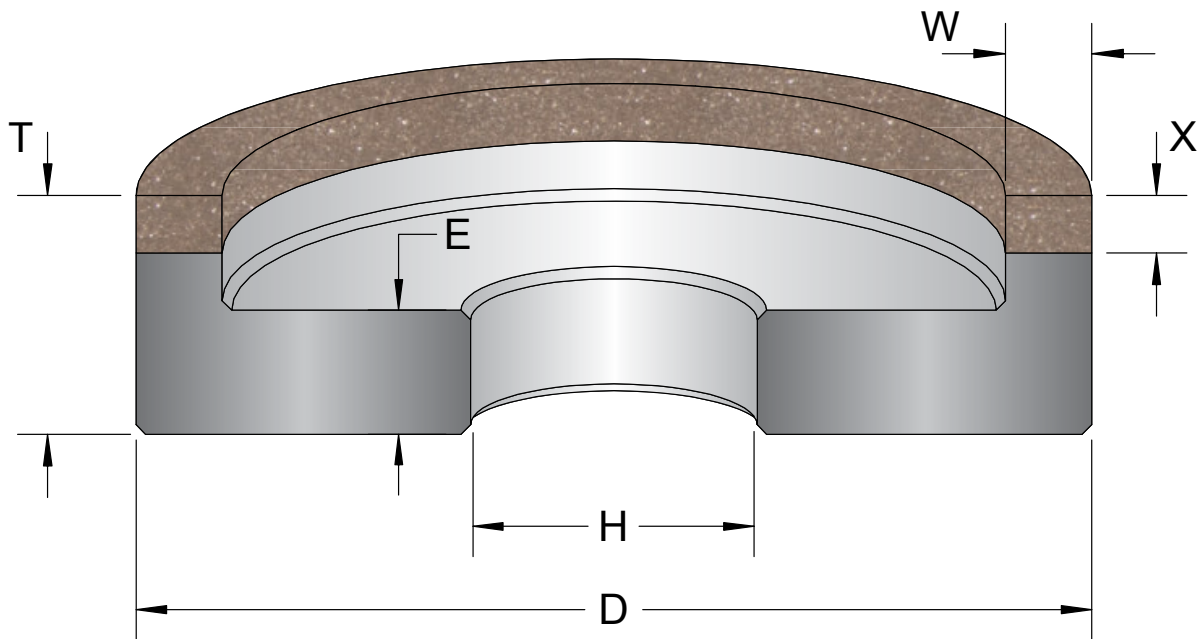

Bond Availability: Phenol, Polyimide, Hybrid, Electro-chemical

Available in: Diamond, CBN

Size Availability: ½" - 27"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

6A2

Applications: Knife Grinding, Edge Grinding, Saw Grinding,
Surface Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: 1" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

6A2C

Applications: Knife Grinding, Edge Grinding, Saw Grinding,
Surface Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: 1" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

6A2H

Applications: Knife Grinding, Edge Grinding, Saw Grinding,
Surface Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: 1" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

6A9

Applications: Saw Grinding, Knife Grinding, Micro Finishing

Bond Availability: Phenol, Polyimide, CDX

Available in: Diamond, CBN, CDX

Size Availability: 2" - 14"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

6A9 WRIGHT

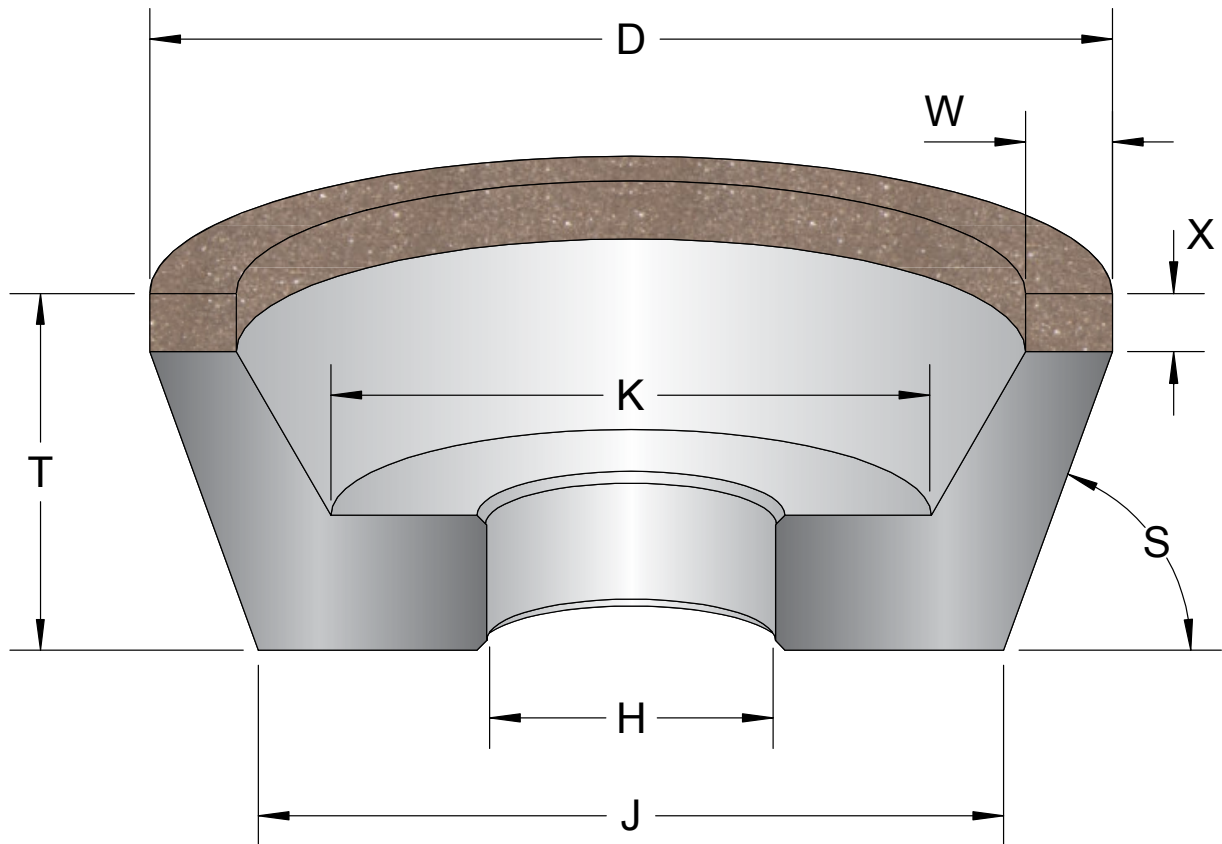

Applications: Top Grinding saws, Saw grinding

Bond Availability: Phenol, Polyimide

Available in: Diamond, CBN

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

11A2

Applications: O.D. Relief Grinding, Tool and Cutter Grinding,
General Purpose Grinding

Bond Availability: Phenol, Polyimide, Hybrid

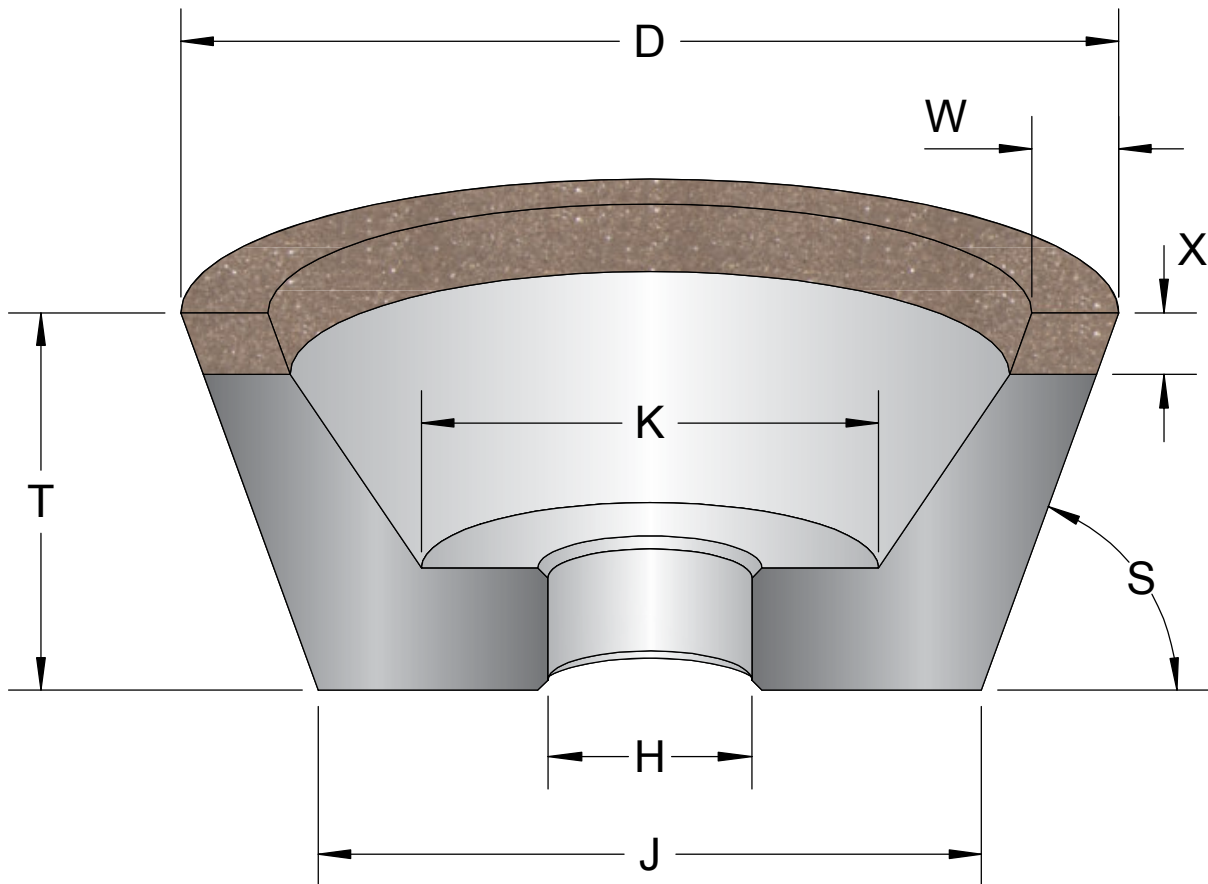

Available in: Diamond, CBN, CDX

Size Availability: 1" - 12"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

11V2

Applications: O.D. Relief Grinding, Tool and Cutter Grinding,
General Purpose Grinding, Face Beveling

Bond Availability: Phenol, Polyimide, Hybrid, Electro-chemical

Available in: Diamond, CBN

Size Availability: 1" - 8"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

11V4

Applications: O.D. Relief Grinding, Tool and Cutter Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 8"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

11V5

Applications: O.D. Relief Grinding, Tool and Cutter Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 8"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

11V9

Applications: O.D. Relief Grinding, End Grinding, Tool and Cutter Grinding, Clearance Angle Grinding

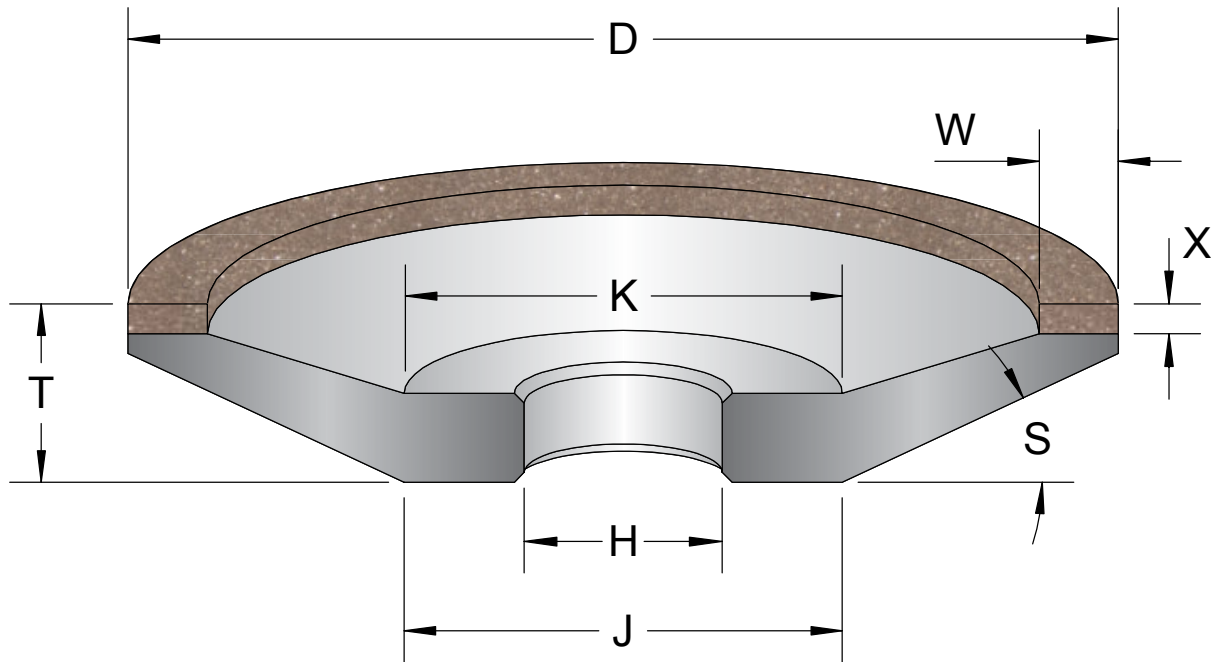

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 8"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

12A2

Applications: Tool and Cutter Grinding, Off Hand Grinding, Face Grinding, Top Grinding

Bond Availability: Phenol, Polyimide, Hybrid, Electro-Chemical

Available in: Diamond, CBN, CDX

Size Availability: 2" - 16"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

12V2

Applications: Face Grinding, Hob Grinding, Tool and
Cutter Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 2" - 10"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

12V4

Applications: O.D. Relief Grinding, Tool and Cutter Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 8"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

12V5

Applications: O.D. Relief Grinding, Tool and Cutter Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 8"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

12V9

Applications: Face Grinding TCT tipped Saws, Face Grinding Router Bits, Endmill Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 1" - 12"

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

14A1R

Applications: Profile Grinding, Cut Off, Form Grinding,
O.D. Grinding, Dicing, Slicing

Bond Availability: Phenol, Polyimide, Hybrid, Electro-chemical

Available in: Diamond, CBN, CDX

Size Availability: 1" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

14BB1

Applications: Top grinding, Saw grinding

Bond Availability: Phenol, Polyimide

Available in: Diamond

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

14F1M

Applications: Cold Saw Grinding

Bond Availability: Polyimide, Hybrid

Available in: Diamond, CBN

Size Availability: 150 mm

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

14F1R

Applications: Profile Grinding, Form Grinding, Endmill Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: 1" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

14F1R LOROCH

Applications: Cold Saw Grinding

Bond Availability: Polyimide and Hybrid

Available in: Diamond, CBN

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

14F1R SCHMIDT TEMPO

Applications: Cold Saw Grinding

Bond Availability: Polyimide and Hybrid

Available in: Diamond, CBN

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

14V1R

Applications: Profile Grinding, Form Grinding, Gashing,
End Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: 1" - 27"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

15A2

Applications: Tool and Cutter Grinding, O.D. Grinding,
Face Grinding, Top Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: 1" - 16"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.

15V9

Applications: Tool and Cutter Grinding, Face Grinding

Bond Availability: Phenol, Polyimide, Hybrid

Available in: Diamond, CBN, CDX

Size Availability: 3" - 10"

*CDX Bond for Grinding Steel and Tungsten Carbide in combination

To receive more information on any of our products, please call 800.417.7617 or 828.261.7281.
