

# DID YOU KNOW OUR ELECTROPLATED WHEELS NEVER PEEL- GUARANTEED?

**Eagle manufactures the ultimate Electroplated Diamond and CBN wheels.**

- ▶ We feature the fastest turnaround of electroplated wheels up to 40" in diameter.
- ▶ We specialize in high-volume, highly accurate wheels for industrial markets and integrated suppliers.

**Turn to Eagle for mass production of world-class Electroplated wheels.**

- ▶ Our tool-and-die stamping can mass-produce 30,000 special-shaped wheel bodies per month.
- ▶ Cut and grind ceramics, carbon fiber, glass, fiberglass and tungsten carbide.

**Our Electroplated wheels come with Perma-Plate Technology.**

- ▶ Our wheels are made with the ultimate grade of diamond for the application.
- ▶ Our superior, patented cleaning process guarantees a permanent, no-peel plated surface.

**"Your wheels are simply the best on the market - at the most reasonable prices. The personal touch I receive is second to none!"**

**-Bill**
